Greetings Family,

As all of our lives have been incredibly impacted by the recent events related to COVID-19 and as we watch the news, there are times we can become overwhelmed with fear. However, we are encouraged and reminded of the Word of God, *Isaiah 41:10: Fear not, for I am with you; be not dismayed, for I am your God; I will strengthen you, I will help you, I will uphold you with my righteous right hand.*

As we continue to use wisdom and be sensitive to the recent events, ALL IN PERSON Services, Meetings, Rehearsals, Classes and such will be POSTPONED until further notice. We encourage you to join in the following:
